

Guardian's Pediatric Advantage Dental PPO Plan

With Guardian's PPO option, you can see any dentist you want but save more when you visit a dentist that participates in Guardian's DentalGuard Preferred network. As one of the largest nationwide networks on and off the health insurance marketplace, chances are your dentist is already a participant. Charges for services provided by participating dentists are based on negotiated, discounted fee schedules, and are reimbursed directly from Guardian. If you choose to see a dentist outside of the network, you'll be reimbursed by the maximum allowable charge, which is the amount that would be paid to dentists who have agreed to be reimbursed according to a negotiated fee schedule. You would be responsible for any amounts over the maximum allowable charge as well as any co-insurance.
