

LIBERTY Dental Plan of California, Inc. Family Dental HMO

- ✓ Members must select, and be assigned to, a LIBERTY Dental Plan contracted dental office to utilize covered benefits. Your dental office will initiate a treatment plan or will initiate the specialty referral process with LIBERTY Dental Plan if the services are dentally necessary and outside the scope of general dentistry.
- ✓ Member Co-payments are payable to the dental office at the time services are rendered, and are subject to Out-of-Pocket maximums. Pediatric benefits apply for children ages 0 to the age of 19. Adult benefits are not subject to out-of-pocket maximums.
- ✓ This Schedule does not guarantee benefits. All services are subject to eligibility and dental necessity at the time of service.
- ✓ Dental procedures not listed are available at the dental office's usual and customary fee.

Patient has an annual Out-of-Pocket Maximum of \$350 and a Family Out-of-Pocket Maximum of \$700. The out-of-pocket maximum is the amount a covered Individual will pay in copays for all allowable expenses, including orthodontic copayments, in any contract year. There may be other costs incurred for optional, non-covered and upgraded material services that do not apply toward Out-of-Pocket maximums. A single child will have an out-of-pocket maximum of \$350. A family with two (2) or more children will have an aggregate out-of-pocket maximum of \$700 for children age 0 to the age of 19. The adult coverage under this plan is not subject to the out-of-pocket maximum and all copayments will be required at the time of service.

Out-of-Pocket Maximum means the maximum amount of money that a Pediatric Enrollee must pay for Benefits under this Program during a plan year. If more than one Pediatric Enrollee is covered, the financial obligation for covered services is not more than the multiple child annual Out-of-Pocket maximum. Once the amount paid by all Pediatric Enrollee(s) equals the annual Out-of-Pocket Maximum shown above, no further payment will be required by any of the Pediatric Enrollee(s) for the remainder of the Plan Year for covered services. Adult benefits are not subject to out-of-pocket maximums.

Payment for services that are Optional, that are upgraded treatment (such as precious or semi-precious metals and material upgrades) or that are not covered under the Policy will not count toward the Out-of-Pocket Maximum, and payment for such services still applies after the annual Out-of-Pocket Maximum is met.

Record of payment for covered procedures should be kept by the Responsible Party. When the Out-of-Pocket Maximum has been reached; contact the Customer Service department at 888-844-3344 for instruction on how to submit. Proof that the Out-of-Pocket Maximum has been reached must be submitted to the Plan.

OVERVIEW OF YOUR DENTAL BENEFIT PLAN

A. How to Use Your LIBERTY Dental Plan

This booklet is your group's Evidence of Coverage. It explains what LIBERTY covers and does not cover. Your comprehensive Schedule of Benefits, which lists copays and other fees, is provided with this document at the inception of the contract, and is available separately upon request or when required, attached as Appendix 1. Your LIBERTY Dental Plan is a group dental plan. Group plans are provided through a group, such as an employer. Your group or employer is purchasing this dental benefit for You. To be eligible for this coverage, You must be employed or affiliated with the group or employer purchasing dental Benefits from LIBERTY.

B. How to Contact LIBERTY

Our Member Services department is here to help You. Call us if You have a question or a problem:

LIBERTY Dental Plan of California, Inc.

Santa Ana, CA 92799-6110

Website: www.LIBERTYDentalPlan.com

C. LIBERTY's Service Area

LIBERTY has a Service Area which is the entire state of California. This is the area in which LIBERTY provides dental coverage. You must live or work in the Service Area [region]. You must receive all dental service services within the Service Area, unless You need emergency or Urgent Care. If You move out of the Service Area You must tell LIBERTY.

D. LIBERTY's Network

Our network is all the Primary Care Providers and Specialists that LIBERTY has contracted with to provide services to our Members. You must get your dental services from your Primary Care Provider and other Providers who are in the network. Call 888-703-6999 to ask for a LIBERTY Provider Directory or use the website.

If You go to Providers outside the network, You will have to pay all the cost, unless You received pre-approval from LIBERTY or You had an emergency or You needed Urgent Care away from home. If You are new to LIBERTY or LIBERTY ends your Provider's contract, You can continue to see your current dentist in some cases. This is called *continuity of care* (see page 9).

E. Your Primary Care Provider (see page 7)

When You join LIBERTY, in most cases You need to choose a Primary Care Provider to whom You will be assigned, unless otherwise stated below. The first page of your Schedule of Benefits indicates if you must choose, and become assigned to a Primary Care Provider. Your Primary Care Provider is usually a General Dentist who provides your basic care and coordinates the care You need from other dental specialty Providers.

For Covered California: Members residing in Covered California Regions 1, 2, 5, 8, 9, 10, 11, 12 and 13 do not require choosing a primary care dentist.

For DHMO/EPO Options: Some LIBERTY plans do not require You to choose and be assigned to a Primary Care Provider. On those plans, You may access services from any contracted Primary Care Provider in the network. Refer to the first page your Schedule of Benefits to determine if your plan requires You to choose and be assigned to a Primary Care Provider.

F. Language and Communication Assistance (see page 19)

If English is not your first language, LIBERTY provides interpretation services and translation of certain written materials in your preferred language. To ask for language services call 888-844-3344. If You have a preferred language, please notify us of your personal language needs by calling 888-844-3344.

G. How to Get Dental Care When You Need It

Call your Primary Care Provider first for all your care, unless it is an emergency.

- You usually need a referral and pre-approval to get care from a Provider other than your Primary Care Provider. See the next section.
- The care must be medically necessary for your health. Your dentist and LIBERTY follow guidelines and policies to decide if the care is medically necessary. If You disagree with LIBERTY about whether a service You want is medically necessary, You can file a Grievance or, in some cases, You may request an Independent Medical Review (see page 18).
- The care must be a service that LIBERTY covers. Covered dental services are also called Benefits. To see what services LIBERTY covers, see the Schedule of Benefits. Your comprehensive Schedule of Benefits is provided with this document at the inception of the contract, and is also available separately upon request from Member Services or via the LIBERTY website. When required, the Schedule of Benefits may be attached as Appendix 1.

H. Referrals and Pre-approvals (see page 9)

You need a referral from your Primary Care Provider and pre-approval from LIBERTY for specialty services or to receive a second opinion or to see a dentist who is not in LIBERTY's network. Pre-approval is also called *prior Authorization*.

- Make sure your Primary Care Provider gives You a referral and gets pre-approval if it is required.
- If You do not have a referral and pre-approval when it is required, You will have to pay all of the cost of the service.

You do **not** need a referral and pre-approval to see your primary care provider, get Emergency Care or Urgent Care.

I. Emergency Care (see page 8)

Emergency Care is covered anywhere in the world. It is an emergency if You reasonably believe that not getting immediate care could be dangerous to your life or to a part of your body. Emergency Care may include care for a bad injury, severe pain, or a sudden serious dental illness. You should seek emergency care from your Primary Care Provider whenever possible. If you are unable to access your Primary Care Provider or are out of the service area and it is an emergency, call 9-1-1 or go to the nearest hospital or emergency room. Go to your Primary Care Provider for follow-up care. Do not go back to the emergency room for follow-up care. Coverage for Urgent Care and Emergency Care is explained fully on page 8.

J. Urgent Care (see page 8)

Urgent care is care that You need soon to prevent a serious health problem. Urgent care is covered anywhere in the world. Coverage for Urgent Care and Emergency Care is explained fully on page 8.

K. Care When You Are Out of the LIBERTY Service Area (see page 8)

Only emergency and Urgent Care is covered.

L. Costs (see the "Fees and Charges – What You Pay" section on page 10)

- The premium is what You and/or your employer group pays to LIBERTY to keep coverage.
- A co-pay (Co-payment) is the amount that You must pay for a particular covered procedure.
- **For Covered California:** The yearly Out-of-Pocket maximum is the most money You have to pay for your Covered Services in a year. An Enrollee has an annual Out of Pocket Maximum of \$350 and a Family Out of Pocket Maximum of \$700, all copayments paid by the enrollee for covered services, including orthodontic copayments, apply towards the Annual Out of Pocket Maximum. There may be other costs incurred for optional, non-covered and upgraded material services that do not apply toward Out-of-Pocket maximums. Applies to benefits for Children to the age of 19 Only. To verify your Out-of-Pocket maximum You can visit LIBERTY's website at www.LIBERTYdentalplan.com or call LIBERTY's Member Services 888-844-3344 (toll-free). After You have reached the yearly Out-of-Pocket maximum, LIBERTY will pay the rest of the cost of dental services for that year, as long as the service You receive is a covered benefit performed by your assigned contracted dental Provider or authorized dental Provider.

M. If You Have a Complaint About Your LIBERTY Dental Plan (see page 16)

LIBERTY provides a Grievance resolution process. You can file a complaint (also called an *appeal* or a *Grievance*) with LIBERTY for any dissatisfaction You have with LIBERTY, your Benefits, a claim determination, a benefit or coverage determination, your Provider or any aspect of your dental Benefit Plan. If You disagree with LIBERTY's decision about your complaint, You can get help from the State of California's HMO Help Center. In some cases, the HMO Help Center can help You apply for an Independent Medical Review (IMR) or file a complaint. IMR is a review of your case by doctors who are not part of your health plan.

C. CHOICE OF PROVIDERS

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHAT PROVIDER DENTAL SERVICES MAY BE OBTAINED

1. **General Dentistry/Primary Care Dentistry:** Except as noted below when You join **LIBERTY** Dental Plan, You must choose a Primary Care Provider to whom You will be assigned. The first page of your Schedule of Benefits indicates if you must choose, and become assigned to a Primary Care Provider. Your assigned Primary Care Provider is responsible for coordinating any specialty care dental services You might need. You must obtain general dental services from your assigned Primary Care Provider. Your assigned primary care facility will share information with any Specialist to coordinate your overall care.

If You do not select a Primary Care Provider, one will be chosen for You by **LIBERTY** upon your enrollment and You will be notified of this assignment.

For Covered California: Members residing in Covered California Regions 1, 2, 5, 8, 9, 10, 11, 12 and 13 do not require choosing a primary care dentist.

For DHMO/EPO Options: To determine if your plan requires Provider office assignment, please refer to the first page of your Schedule of Benefits. If your plan does not require Provider office assignment, in order to access care under one of these plans, contact any **LIBERTY** Dental Plan Provider who is contracted to provide services under your selected plan for an appointment. The Primary Care Provider will then contact **LIBERTY** Dental Plan to verify your eligibility. You may obtain information on contracted Providers by phone or website. Refer to your Schedule of Benefits to determine if your plan requires You to choose and be assigned to a Primary Care Provider, or if You may access services from any contracted Primary Care Provider in the network.

For Covered California: In regions requiring assignment, all Members in the Essential Pediatric Benefit Plan must be assigned to and receive treatment from the same Primary Care Provider.

2. **Changing Primary Care Providers:** You may contact **LIBERTY** at any time to change your Primary Care Provider. Contact our Member Services Department toll-free at (888) 844-3344 (during regular business hours) or submit a change request in writing to: **LIBERTY** Dental Plan, P.O. Your request to change dentists will not be processed if You have an outstanding balance with your current dentist.

3. **Care from a Dental Specialist:** You may only obtain care from a dental Specialist only after your referral to a Specialist has been submitted by your assigned Primary Care Provider to LIBERTY for approval. You may only receive services from a dental Specialist that have been pre-approved for You. Your Specialist will submit a Pre-Authorization for services to LIBERTY for pre-approval.

D. URGENT CARE

Urgent care is care You need within 24 to 72 hours, and are services needed to prevent the serious deterioration of your dental health resulting from an unforeseen illness or injury for which treatment cannot be delayed. The Plan provides coverage for urgent dental services only if the services are required to alleviate severe pain or bleeding or if an Enrollee reasonably believes that the condition, if not diagnosed or treated, may lead to disability, dysfunction or death. Contact your assigned Primary Care Provider for your urgent needs during business hours or after hours. If You are out of the area, You may contact LIBERTY for referral to another contracted dentist that can treat your urgent condition. For after-hours Urgent Care outside the Service Area, You may proceed to find a dentist who can assist You. LIBERTY will reimburse You for covered dental expenses up to a maximum of seventy-five dollars (\$75), less applicable Co-payments per calendar year. You should notify LIBERTY as soon as possible after receipt of Urgent Care services, preferably within 48 hours. If it is determined that your treatment was not due to a dental emergency, the services of any non-contracted dentist will not be covered.

E. EMERGENCY DENTAL CARE

All affiliated LIBERTY Dental Plan Primary Care Providers provide availability of emergency dental care twenty-four (24) hours per day, seven (7) days per week. The Plan provides coverage for Emergency Dental Services only if the services are required to alleviate severe pain or bleeding or if an Enrollee reasonably believes that the condition, if not diagnosed or treated, may lead to disability, dysfunction or death. If You encounter a dental emergency condition or situation in which there is an imminent and serious threat to your health including but not limited to, the potential loss of life, limb, or other major body function, You may also wish to consider contacting the “911” emergency response system. The use of such system should be done so responsibly.

In the event You require Emergency Dental Care, contact your Primary Care Provider to schedule an immediate appointment. For urgent or unexpected dental conditions that occur after-hours or on weekends, contact your Primary Care Provider for instructions on how to proceed.

If your Primary Care Provider is not available, or if You are out of the area and cannot contact LIBERTY to redirect You to another contracted Dental Office, contact any licensed dentist to receive Emergency Care. LIBERTY will reimburse You for covered dental expenses up to a maximum of seventy-five dollars (\$75), less applicable Co-payments per calendar year. You should notify LIBERTY as soon as possible after receipt of emergency services, preferably within 48 hours. If it is determined that your treatment was not due to a dental emergency, the services of any non-contracted dentist will not be covered.

Emergency Dental Service (*covered by your LIBERTY Dental Plan*) is defined in the California Health & Safety Code, to include a dental screening, examination, evaluation by dentist or dental Specialist to determine if an emergency dental condition exists, and to provide care that would be acknowledged as within professionally recognized standards of dental care and in order to alleviate any emergency symptoms in a Dental Office. Medical and/or psychiatric emergencies are not covered by LIBERTY Dental Plan and are generally covered by a Medical Plan. LIBERTY does not cover services that LIBERTY determines the services were not dental in nature.

Reimbursement for Emergency Dental Care: If the requirements in the section titled “Emergency Dental Care” are satisfied, LIBERTY will cover up to \$75 of such services less applicable Co-payments per calendar year. If You pay a bill for covered Emergency Dental Care, submit a copy of the paid bill to LIBERTY Dental Plan, Claims Department, P.O. Box 26110, Santa Ana, CA, 92799-6110. Please include a copy of the claim from the Provider’s office or a legible statement of services/invoice. Please forward to LIBERTY Dental Plan with the following information:

- Your membership information.
- Individual’s name that received the emergency services.
- Name and address of the dentist providing the emergency service.
- A statement explaining the circumstances surrounding the emergency visit.

If additional information is needed, You will be notified in writing. If any part of your claim is denied You will receive a written Explanation of Benefits (EOB) within 30 days of LIBERTY Dental Plan’s receipt of the claim that includes:

- The reason for the denial.
- Reference to the pertinent Evidence of Coverage provisions on which the denial is based.
- Notice of your right to request reconsideration of the denial, and an explanation of the Grievance procedures. You may also refer to the EOC section, GRIEVANCE PROCEDURES below.

F. SECOND OPINION

At no cost to You, You may request a second dental opinion when appropriate, by directly contacting Member Services either by calling the toll-free number (888) 844-3344 or by writing to: LIBERTY Dental Plan, P.O. Box 26110, Santa Ana, CA, 92799-6110. Your Primary Care Provider may also request a second dental opinion on your behalf by submitting a Standard Specialty or Orthodontic Referral form with appropriate x-rays. All requests for a second dental opinion are approved by LIBERTY Dental Plan within 72 hours of receipt of such request. Upon approval, LIBERTY Dental Plan will make the appropriate second dental opinion arrangements and advise the attending dentist of your concerns. You will then be advised of the arrangement so an appointment can be scheduled. Upon request, You may obtain a copy of LIBERTY Dental Plan's policy description for a second dental opinion.

G. REFERRAL TO A SPECIALIST

In the event that You need to be seen by a Specialist, LIBERTY Dental Plan requires prior benefit Authorization. Your Primary Care Provider is responsible for obtaining Authorization for You to receive specialty care.

The Pre-Authorization submission will be responded to within five (5) business days of receipt, unless urgent.

If your specialty referral Pre-Authorization is denied or You are dissatisfied with the Pre-Authorization, You have the right to file a Grievance. See EOC section, "GRIEVANCE PROCEDURES" below.

If your Primary Care Provider has difficulty locating a Specialist in your area, contact LIBERTY Member Services for assistance in locating a Specialist.

H. AUTHORIZATION, MODIFICATION OR DENIAL OF SERVICES

No prior benefit Authorization is required in order to receive general dental services from your Primary Care Provider. The Primary Care Provider has the authority to make most coverage determinations. The coverage determinations are achieved through comprehensive oral evaluations which are covered by your plan. Your Primary Care Provider is responsible for communicating the results of the comprehensive oral evaluation and advising of available Benefits and associated cost.

Referral to a Specialist is the responsibility of your assigned contracted Primary Care Provider (see Referral to a Specialist above).

Specialty services proposed by any Specialist to whom You are referred must be pre-authorized prior to rendering care, except for emergency services (Emergency Dental Care and Urgent Care services described above).

You or your Providers may call Member Services toll-free at 1-888-844-3344 for information on Pre-Authorization of services policies, procedures or the status of a particular referral or Pre-Authorization.

Specialty referral and Pre-Authorization of specialty services proposed by the Specialist is processed within 5 days of receipt of all information necessary to make the determination. When LIBERTY is unable to make the determination within the 5-day requirement, LIBERTY will notify your Provider and You of the information needed to complete the review and the anticipated date when the determination will be made.

Any denial, delay or modification of services will contain a clear and concise description of the utilization review criteria, guideline, clinical reason or contractual section of the coverage documentation used to make such a determination. Such determinations will include the name and telephone number of the health care professional responsible for the determination and information on how You can

Determinations to deny, delay or modify treatment requested on your behalf will contain information on how You may file a Grievance based on this determination.

Urgent requests: If You or your Primary Care Provider encounter an urgent condition in which there is an imminent and serious threat to your health including but not limited to, the potential loss of life, limb, or other major body function, or the normal timeframe for the decision making process as described above would be detrimental to your life or health, the response to the request for referral should not exceed seventy-two (72) hours from the time of receipt of such information, based on the nature of the urgent or emergent condition.

The decision to approve, modify or deny will be communicated to the Primary Care Provider within twenty-four (24) hours of the decision. In cases where the review is retrospective (services already provided), the decision shall be communicated to the Enrollee within thirty (30) days of the receipt of the information.

For EPDB plans: This is an EPDB plan, and therefore You will be terminated upon reaching the limiting age for coverage stated in this EOC document

2. Termination Due to Non-Payment of Premium

If your employer or group does not pay the premium, LIBERTY will send a notice to your employer or group saying that the premium is overdue.

If premiums are not paid according to the agreement, termination will be effective on midnight 30 days after the last day of the month for which premiums were last received, subject to compliance with notice requirements accepted by LIBERTY Dental Plan. Existing in-force coverage may be terminated by LIBERTY if LIBERTY can demonstrate that a Subscriber has performed an act of practice constituting fraud or made an intentional misrepresentation of material fact. Fraudulent practices or acts include, but are not limited to, permitting any other person to use their Member ID card to obtain services under this dental plan, or otherwise engages in fraud or deception in the provision of incomplete or incorrect "material" information to LIBERTY or to the Provider that would affect enrollment information, for use of the services or facilities of the plan or knowingly permits such fraud or deception by another. In such cases, Subscriber will receive a letter via certified mail at least 30 days prior to the effective date of the termination explaining the reason for the intended termination, and the notice of appeal rights. A Subscriber who alleges that an enrollment has been or will be improperly canceled, rescinded, or not renewed may request a review by the Director of the DMHC. Upon notice of completion of the appeal process, termination will be effective immediately upon such notice from LIBERTY Dental Plan.

5. Termination Due to Health Status

LIBERTY does not terminate based on any health status. If You believe that your coverage has been terminated, improperly canceled, rescinded or not renewed based on your health status or requirements for health care services, You may request a review to be performed by the Director of the Department of Managed Health Care. If the Director determines that a proper complaint exists under the provisions of this section, the Director shall notify the plan. Within 15 days after receipt of such notice, the plan shall either request a hearing or reinstate the Enrollee or Subscriber. A reinstatement shall be retroactive to time of cancellation or failure to renew and the plan shall be liable for the expenses incurred by the Subscriber or Enrollee for covered health care services from the date of cancellation or non-renewal to and including the date of reinstatement. You can contact the Department of Managed Health Care at (1-888-HMO-2219) or on a TDD line (1-877-688-9891) for the hearing and speech impaired. D. RESCISSION

Rescission means that LIBERTY may cancel your coverage as if no coverage ever existed. Rescission may be elected by LIBERTY only in the event of fraud or intentional misrepresentation of material fact such as, but not limited to, if You intentionally submitted incomplete or incorrect material information in your enrollment application. You have the right to appeal any decision to rescind your membership. Appeal procedures will be provided to You in the notice of rescission. A Subscriber who alleges that an enrollment has been or will be improperly canceled, rescinded, or not renewed may request a review by the Director of the DMHC. Except as provided by law, LIBERTY may not rescind Your coverage after 24 months from the issuance of the coverage contract.

The following information is required by the State of California pertaining to your dental plan.

A. STATE OF CALIFORNIA DEPARTMENT OF MANAGED HEALTH CARE (DMHC) COMPLAINT PROCEDURE

The DMHC has established a toll-free number for You as a Member to utilize should You have a complaint against a health care service plan, or requests for review of cancellations, rescissions and non-renewals under Health and Safety Code section 1365(b) and related guidance and rules. This number is **888-HMO-2219**. As a Member You may file a complaint against LIBERTY Dental Plan; however, You may only do so after contacting your plan directly to utilize its complaint resolution process.

A Member may immediately file a complaint with the California DMHC in the event of a dental emergency situation. In addition a Member may also file a complaint in the event that the plan does not satisfactorily resolve the complaint (Grievance) within thirty (30) days of filing with your health care service plan.

California Required Statement: The California Department of Managed Health Care is responsible for regulating health care service plans. If You have a grievance against your Health Plan, You should first telephone your Health Plan at **1-888-844-3344** and use your Health Plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to You. If You need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your Health Plan, or a grievance that remained unresolved for more than 30 days, You may call the Department for assistance. You may also be eligible for Independent Medical Review (IMR). If You are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a Health Plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number (**1-888-HMO-2219**) and a **TDD line (1-877-688-9891)** for the hearing and speech impaired. The Department's Internet web site <http://www.hmohelp.ca.gov> has complaint forms, IMR application forms and instructions online.

Grievance Resolutions and Responses: For Grievances related to requested services that were denied, delayed or modified based in whole or in part on a finding that the proposed health care service is not a covered benefit, the response will indicate the exact document, page and provision applicable to the Grievance response.

For Grievances related to requested health care services that were denied, delayed or modified in whole or in part based on a determination that the service is not medically (dentally) necessary, the response will indicate the criteria, clinical guideline or policy used in reaching the determination.

Urgent Grievances: For cases involving an imminent and serious threat to your health including, but not limited to, severe pain, potential loss of life, limb, or major bodily function, LIBERTY will expedite the processing of your Grievance upon notification of this urgent condition. LIBERTY will resolve to the urgent condition within 3 calendar days of receipt of the Grievance, or sooner, based on the condition. In the case of urgent Grievances, You are not required to await the determination by LIBERTY before accessing the DMHC as noted above.

If You are not satisfied with the resolution initially provided, You may contact the DMHC as noted above. You may also submit additional materials for additional consideration to LIBERTY Dental Plan's Quality Management Department. Your requests must be in writing with a detailed summary and should be directed to:

LIBERTY Dental Plan, Inc.
Quality Management Department
P.O. Box 26110
Santa Ana, CA 92799-6110

Any additional information will be processed as a new Grievance.

B. MEDIATION

You may also request voluntary mediation with LIBERTY before exercising your right to submit a Grievance to the DMHC. The use of mediation does not preclude your right to submit a Grievance to the DMHC upon completion of mediation. In order to initiate mediation, You or your agent must voluntarily agree to the mediation process. Expenses for mediation will be borne equally by You and LIBERTY.

C. INDEPENDENT MEDICAL REVIEW (IMR)

If You, or one of your eligible Dependents, believe that some conduct arising from or relating to your participation as a LIBERTY Dental Plan Member, including contract or medical liability, the matter shall be settled by arbitration. The arbitration will be conducted according to the American Arbitration Association rules and regulations in force at the time of the occurrence of the Grievance (dispute or controversy) and subject to Section 1295 of the California code of Civil Procedure.

XII. MISCELLANEOUS PROVISIONS

The Chairman of the Committee and the Chief Compliance Officer, in conjunction with Legal Counsel, determine whether LIBERTY shall take any additional action, which may include, without limitation:

- The provision of information, for purposes of education, to the participating Provider describing the incident involving suspected fraudulent activity;
- Seek restitution from the participating Provider for any amounts paid by LIBERTY in connection with the incident involving suspected fraudulent activity;
