Consideration for in-network reimbursement of treatment performed by a non-network general or specialist dentist will be limited to covered medically necessary dental services. Please refer to the provider directory for a complete listing of Premier Access’s contracted dentists. Or you may access our website at premierlife.com/providersearch to view Premier Access contracted dentists.

Premier Access shall provide accessibility to dentally required specialists who are certified or eligible for certification by the appropriate specialty board, through contracting or referral. The provider accessibility standards are as follows:

1. A general dentist is not located: a) within 30 minutes or 15 miles of a member's home or place of employment;
2. A specialist dentist is not located: a) within 60 minutes or 30 miles of a member’s home or place of employment.

Premier Access will verify information related to the notification from the member that a network general or specialist dentist was not available within the parameters above. The information verified may include, but may not be limited to, review of the network general and specialist dentists available within the required driving distance from the member’s home or place of employment.

If a more elaborate or precision appliance is chosen by the patient and the dentist, and is not necessary to satisfactorily restore an arch, the patient will be responsible for all additional charges.

ELIGIBILITY AND ENROLLMENT

Who May Enroll
This is an employer sponsored dental plan. To be eligible to enroll in this Premier Access dental plan as the Certificate Holder, the person must be employed by the Policy Holder and be a resident of the state of California. The Policy Holder is responsible for determining dependent eligibility. In the absence of such a determination, Premier Access defines eligible dependents as:

- Your lawful spouse or domestic partner.
- Your children or grandchildren, up to age 26, for whom You provide care, including adopted children, step-children, or other children for whom You are required to provide dental care pursuant to a court or administrative order.
- Your children who are incapable of self-sustaining employment and support due to a developmental disability or physical handicap.
- Other dependents if the Policy Holder provides benefits for these dependents.

This is an employer sponsored dental plan. To be eligible to enroll in this Premier Access dental plan, a person must be employed by the Policy Holder and be a resident of the state of California. You may enroll your eligible Dependents who are under the age of 19.

Premier Access defines eligible Dependents as:

- Your lawful spouse, domestic partner or civil union partner under age 19;
- Your children or grandchildren up to age 19 for whom you provide care, including adopted children, step-children (including children of a domestic partner or civil union partner), or other children for whom You are required to provide dental care pursuant to a court or administrative order.
- Your children under age 19 who are incapable of self-sustaining employment and support due to a developmental disability or physical handicap and who are chiefly dependent upon you for support and maintenance.

This dental plan will provide benefits to Covered Persons until the last day of the month in which the Covered Person turns age 19.

When Coverage Begins
Coverage will begin on the first day of the month following the date your premium payment is received by Premier Access, so long as the premium is received the fifteenth (15th) day of the preceding month. If premium is not received by the 15th calendar day of a month, coverage will begin on the first day of the second month following the month in which premium was received. Check with Premier Access if you have any questions about when your coverage begins.
Minimum Enrollment Period
You must enroll for a minimum of 12 months. Enrollment in this dental plan beyond your initial 12-month commitment will be automatically continued until you disenroll. If coverage is voluntarily discontinued, you may not re-enroll during the 12-month period immediately following the voluntary termination.

Disenrollment
Enrollment in this dental plan beyond your initial 12-month commitment will be automatically continued until you disenroll.

If you disenroll before your pre-paid rate term expires, you will be charged the monthly rates for any months you were actively enrolled when calculating refund amounts.

Disenrollment may also occur when your premium payment is not received by the 1st of the month following the due date on your invoice. Please see section "Grace Period" for more information.

Loss of Eligibility
You will lose your eligibility:

- On the first day of the month for which Premier Access does not receive the required premium payment, subject to the Grace Period, below;
- On the last day of the month in which a notice of voluntary termination is received;
- On the last day of the month in which you no longer meet eligibility requirements
  - Pediatric benefits are available until the member turns 19; benefits will terminate on the last day of the birth month, in family plans 19 year olds will be transitioned into the adult benefits until they are 26 and terminated on the last day of their birth month.
- On the last day of the month in which you are no longer employed by the Employer.

In the event of contract termination, no further benefits will be provided to you and none of the Plan provisions will apply. If you fail to pay the premium through and including the final month of the contract, all coverage may be terminated at the end of the grace period, and you may be responsible for the usual fees for any services received during the period the premium went unpaid, including the Grace Period.

Grace Period
Your payment is due by the 25th of the month in which you receive an invoice. If it is not received by the 25th, it is considered delinquent.
A grace period of 31 days will be granted for the payment of premiums accruing after the first premium, during which grace period the policy shall continue in force, but the employer shall be liable to the insurer for the payment of the premium accruing for the period the policy continues in force. If the account continues to be delinquent for more than 31 days, your enrollment will be terminated and you will not be able to re-enroll for 12 months following termination.

**Cancellation of Benefits**
If the required premium is not paid, your coverage may be canceled not less than thirty-one (31) days after such premium was due.

Premier Access may cancel the policy at any time by written notice delivered to the employer, or mailed to the last address as shown on the records of the insurer, stating when, not less than 31 days thereafter, such cancellation shall be effective. The employer may cancel this policy at any time by written notice delivered or mailed to Premier Access, effective on receipt or on such later date as may be specified in the notice. In the event of such cancellation by either Premier Access or the employer, Premier Access shall promptly return on a prorate basis the unearned premium paid, if any, and the employer shall promptly pay on a prorate basis the earned premium which has not been paid. (In computing prorate premium to be returned by Premier Access or to be paid by Premier Access or to be paid by the employer, any discounts in premium or premium rate actually allowed to the employer because of the longer periods for which premiums, at the time of the cancellation, had been paid or agreed to be paid shall be disregarded, and the prorata return or payment of premium will be computed upon the basis of Premier Access’s regular and customary premium or premium rate for the coverage of the policy.) Such cancellation shall be without prejudice to any claim originating prior to the effective date of such cancellation.

**Termination of Contract**
Your contract with Premier Access is for a period of twelve (12) months and automatically renews as described previously. If your contract is terminated, your membership in the Plan will be terminated.

**OVERVIEW OF DENTAL BENEFITS**
The Schedule of Benefits contains the benefits and sets forth the deductible, coinsurance or copayment amounts, and the exclusions and limitations. Please review the Schedule of Benefits carefully to understand what benefits are covered under this plan and your financial responsibility. The Premier Access dental plan covers "Dentally Necessary" dental care.

This Dental Insurance gives Covered Persons access to Dentists who have contracted with
Premier Access. Contracted Dentists have agreed to limit their charge for a Covered Service to the Maximum Allowed Charge for such service. Under this Plan, We pay benefits for Covered Services performed by either In-Network Dentists or Out-of-Network Dentists. However, the Covered Person may be able to reduce out-of-pocket costs by using an In-Network Dentist because Out-of-Network Dentists have not entered into an agreement with Us to limit their charges.

**Deductibles**
The Deductible amounts, if any, are shown in the Schedule of Benefits.

**Benefit Amounts**
We will pay benefits in an amount equal to the Covered Percentage as shown in the Schedule of Benefits for charges incurred for a Covered Service, subject to the conditions set forth in this Policy.

**In-Network**
If a Covered Service is performed by an In-Network Dentist, Premier Access will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

If an In-Network Dentist performs a Covered Service, You will be responsible for paying:

- The Deductible, if any; and
- Any other part of the Maximum Allowed Charge for which Premier Access does not pay benefits.

**Out-of-Network**
If a Covered Service is performed by an Out-of-Network Dentist, Premier Access will base the benefit on the Covered Percentage of the Reasonable and Customary Charge.

Out-of-Network Dentists may charge more than the Reasonable and Customary Charge. If an Out-of-Network Dentist performs a Covered Service, the Covered Person will be responsible for paying:

- The Deductible; and
- Any other part of the Maximum Allowed Charge for which Premier Access does not pay benefits; and
- Any amount in excess of the Maximum Allowed Charge charged by the Out-of-Network Dentist.

Please note that benefits are only available in the state of California. We will not pay benefits for services rendered outside the state of California except Emergency Treatment or when delay of treatment could endanger the health of the Covered Person. If you receive services inside of the state of California for Emergency
Treatment, we will pay benefits to an In-Network or Out-of-Network provider.

**Pre-Treatment Estimates**
Pre-Treatment estimate requests are not required but may be submitted to Premier Access for more complicated and expensive procedures such as crowns, wisdom teeth extractions, bridges, dentures, or periodontal surgery. When your dentist submits a pre-treatment estimate request to Premier Access, you will receive an estimate of your share of the cost and how much Premier Access will pay before treatment begins. A pre-treatment estimate is particularly useful in the following cases:

- If you are having extensive work done and the total charges will exceed $300.00;
- To make sure a particular procedure is covered;
- To see if any maximum benefits will be exceeded; or
- If you need to plan your payment in advance.

By asking your dentist for a Pre-treatment estimate from Premier Access before you agree to receive any prescribed major treatment, you will have an estimate up front of what the dental plan will pay, and the difference you will need to pay. Your dentist may also be able to present alternative treatment options that will lower your share of the bill while still meeting your dental care needs.

**Customer Service**
Premier Access provides toll-free access to our Customer Services Associates to assist you with benefit coverage questions, resolving problems, or changing your selecting a dentist. Upon a notice of claim, Premier Access will furnish you such forms as are usually furnished by it for filing proofs of loss.
