

Delivering on the Promise of Care: Spotlight on Salinas Valley Memorial Hospital

Salinas Valley Memorial Hospital is just one of 400 hospitals statewide that provide high-quality care to Covered California members. Collecting data is part of Covered California's effort to highlight patients getting the care they need. It's not just health care — it's life care.

Jan. 1, 2014, to
June 30, 2015

1,939 overall unique Covered California patients
