SIGN THE FORM

COVERED CALIFORNIA BINDING ARBITRATION AGREEMENT

I understand that, if I select a Health Plan that uses mandatory binding arbitration to resolve disputes, I am agreeing to arbitrate claims that relate to my or a dependent's membership in the Health Plan (except for Small Claims Court cases and claims that cannot be subject to binding arbitration under governing law). I understand that any dispute between myself, my heirs, relatives, or other associated parties on the one hand and the Health Plan, any contracted health care providers, administrators, or other associated parties on the other hand for alleged violation of any duty arising out of or related to membership in the Health Plan, including, for premises liability, relating to the coverage for, or delivery of, services or items, or, if I select a Kaiser Permanente Health Plan, including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), irrespective of legal theory, must be decided by binding arbitration under California law and not by lawsuit or resort to court process, except as applicable law provides for judicial review of arbitration proceedings. I agree to give up our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is in the Health Plan's coverage document, which is available for my review.

I am signing this application under penalty of perjury, which means I've provided true answers to all of the questions to the best of my knowledge. I know that I may be subject to penalties under federal law if I intentionally provide false or untrue information.
