SMALL BUSINESS

2021 FIRST QUARTER RATES BY REGION

September 9, 2020

- Rates shown are for a 40-year-old individual, and are for reference only
- Rates are separated by metal tier for each region
- Go to the Covered California for Small Business website for more information: <https://www.coveredca.com/forsmallbusiness/>

Pricing Regions

California is composed of 19 pricing regions. Each region has different pricing and health insurance options. The five companies represent a mix of large multi-state companies and smaller region-specific companies. Nearly all Covered California consumers have at least three health insurance companies to choose from in their region, and in some regions as many as five.
