Instructions and Background Clearance Requirements

i) Carefully read all instructions

In order to become a Certified... law requires that you complete a background check (Government Code section 1043) and fill out this form (California Code of Regulations, Title 10, Section 6654(d)(8)). Covered California (CC) submits your fingerprints to the Department of Justice (DOJ) to obtain a criminal history report. The DOJ criminal history report is compared to your Criminal Record Disclosure (CRD) to identify discrepancies, inconsistencies, or omissions. CC will evaluate the criminal history report, including any information you provide in and with the CRD to make a determination of your eligibility to provide consumer assistance. Failure to complete the CRD in its entirety may delay the certification process and candidates will be required to resubmit prior to completing the certification background clearance.

Create Criminal Record Disclosure **Provide details on each offense**

III)
 If you answered YES to any of the above questions, give details indicating the date and location of each crime or administrative action and, if desired, the nature and circumstances of the offense. If you need additional space or have more offenses or administrative actions to declare, you must use additional sheets and upload them to this record after saving. Once you are ready to submit the disclosure, click the Submit for Approval button.
