

Community Partner Briefing

NEWS FROM COVERED CALIFORNIA

January 11, 2019

Director's Corner

Dear Partners,

With a few days remaining to get consumers enrolled, we want to encourage you to keep up the very good pace we are seeing from our agent and community enrollment partners this open enrollment season. We know you won't let up, finish strong and make this sixth year as successful as the previous years!

Please stay tuned to our alerts to make sure you don't miss important announcements as we get close to the finish line.

Once open enrollment has ended, consider implementing some onboarding practices for your consumers—particularly the new members—that will help make their experience of working with you and having health coverage rewarding and beneficial.

Some best practices that help earn loyalty are connecting with your consumers early after enrollment, educating them about the benefits of their health plan and how to use those benefits to get the most value, and stressing the importance of choosing and seeing their primary care physician. You'll gain their trust and loyalty because, as their trusted advisor, you got them covered and on the road to improved health and well-being.

We appreciate your partnership in our mission to help get California covered! Best of luck in finishing strong!

Open Enrollment

Select a Health Plan by Jan. 15

The plan selection deadline for coverage effective February 1, 2019 is quickly approaching. Remind consumers they must enroll, **make a plan selection by January 15, 2019**, and pay their binder payment to ensure their coverage is effective on February 1, 2019.

Remind Consumers to Make Their First Payment

Remind enrolled consumers to make their first binder payment, by the specified due date for their health coverage to take effect and avoid a gap in coverage. Here are the options for how consumers can pay:

- Login to their [Covered California account](#) and look for the **PAY NOW** button, located in the Household Enrollment Summary section. *Please note that this option is not available for all health plans.*
- Submit payment using the invoice statement sent from the health plan – instruct the consumer to follow the instructions on the invoice to submit the payment.

Please note: If the consumer has not received a bill, it is important they [contact the health plan](#) or make the payment using the specific information listed on our [Paying Your Premium](#) webpage for each health plan.
